Why not another "Democratic Music Hall Convention," a la Billy Goebel? Summing up the consequences of that celebrated Music Hall meeting the State of Kentucky, we cannot lead ourselves to believe that we will ever see its like again.

The sheol in Kentucky never began until WILLIAM GOEBEL made his Faust-like entrance on the stage of iniquitous politics.

Then the era of corruption, arson and murder began, which has rent the Bluegrass State in twain, arrayed neighbor against neighbor and cast brother at the throat of brother.

It excites our nerves to think what one more "Music Hall Convention" would do to Old Kentucky.

Mason Circuit Court.

The winding up of the Savage trial in the Circuit Court last afternoon and night was watched with some eagerness by a considerable number of ladies who attended both sessions of Court.

The case was given into the hands of the Jury about 10 o'clock last evening, and after being out for half an hour reported to the Court that it could not arrive at a verdict. They were given in charge of the Sheriff and dismissed for the night and will try again this morning.

Two divorce cases were granted—Mrs. Lilly R. Bright from Charles Bright, and Mrs. Anna R. Campbell from Charles N. Campbell.

A City Free From Debt.
On May 15, 1908, the city of Kokomo, Ind., paid the last dollar of its indebtedness. Its mayor, Hon. Will H. Arnett, contributes an article on the subject to the June issue of the City Hall, from which the following quotation is taken:

"Whatever may be said of the merits of municipal ownership elsewhere, the city of Kokomo is a signal example of what may be done with private corporations when dealt with by men of judgment and integrity. Her contracts are fair and reasonable, and her rates are not burdensome. Perhaps no stronger argument against municipal ownership could be offered than the present condition of the city of Kokomo in relation to its public service corporations."

Another Plant For Sale.
A recent newspaper item dated at Festus, Mo., reads thus:

"The city council of Festus has offered to sell the city electric light plant to a St. Louis syndicate for \$10,000, and it is believed the proposition will be accepted by the syndicate."

At a mass meeting recently held in Fort Branch, Ind., to consider the purchase by the town of the local electric plant the proposition was rejected almost unanimously.

How to Cure Liver Trouble

Keep Your Bowels Regular and Your Stomach Sweet

People sometimes imagine when they have liver trouble or are bilious that the main thing to do is to take physic. Taking pills and keeping your bowels regular are two very different matters. The use of a violent cathartic does not mean the cure of constipation or the establishment of regular movements. A physic is an emergency remedy, but never a bowel treatment. If the bowels do not move regularly there is a reason deeper seated than the mere clogging up that is removed by a dose of salts or pills.

When that drowsy, tired feeling, with the coated tongue, the dull head pains, the sour stomach, the sallow complexion, constipated bowels and touches of fever come on it is time to take a medicine that will act on the bowels gently and mildly, cleansing and strengthening them, stir up the liver and aid the stomach in digesting the food.

Dr. Caldwell's Syrup Pepsin does this every time. Take a few doses and see how quickly the drowsy feeling leaves, regular bowel movements come back, with a good appetite and perfect digestion, and you soon feel like your old self. It does not gripe nor pain, it acts smoothly, mildly and is very pleasant to take. Wm. Hinckman, Mesick, Mich., says: "I was troubled with indigestion and liver trouble. I have used Dr. Caldwell's Syrup Pepsin with fine results. It is a perfect laxative and I now feel as strong and well as formerly." Wm. Block, Natick, Ill., says: "Dr. Caldwell's Syrup Pepsin is the best remedy I ever used for liver complaint or constipation."

Mrs. R. H. Brown, Addington, Ind. Ter., was troubled with torpid liver and constipation. Dr. Caldwell's Syrup Pepsin gave her prompt relief. All druggists sell it at 50c and \$1.00 per bottle.

Pepsin Syrup Co., 306 Caldwell Bldg., Monticello, Ill., is glad to send a free sample to anyone who has never used it and will give it a fair trial.

GIRLS WHO WORK

Girls who work for their living are especially exposed to the dangers of organic feminine disorders. Standing all day, or sitting in cramped positions; walking to and from their places of employment in bad weather all tend to break down their delicate feminine organism.

No class of women are in need of greater assistance, and thousands of letters like the following demonstrate the fact that

LYDIA E. PINKHAM'S VEGETABLE COMPOUND

restores the feminine system to a strong, healthy, normal condition. Miss Abby F. Barrows, of Nelsonville, Ohio, writes to Mrs. Pinkham: "I was very sick, had dull headaches, pain in my back, and a feminine weakness. I had been to several doctors and they did me no good. Lydia E. Pinkham's Vegetable Compound made me feel so much better that I hope every woman who suffers as I did will try it."

Miss Lillian Ross, of 530 E. 84th St., New York, writes to Mrs. Pinkham: "I had a female trouble, nervous headaches, and was tired all the time, and could not sleep. Lydia E. Pinkham's Vegetable Compound made me feel so much better that I hope every woman who suffers as I did will try it."

FACTS FOR SICK WOMEN.
For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for feminine ills, and has positively cured thousands of women. Why don't you try it?

Mrs. Pinkham, Lynn, Mass., invites all sick women to write her for advice.
